

Foundation to Field

Sports Media Inc. Academy — Module 01 (Days 1–7)

Gemini Notebook

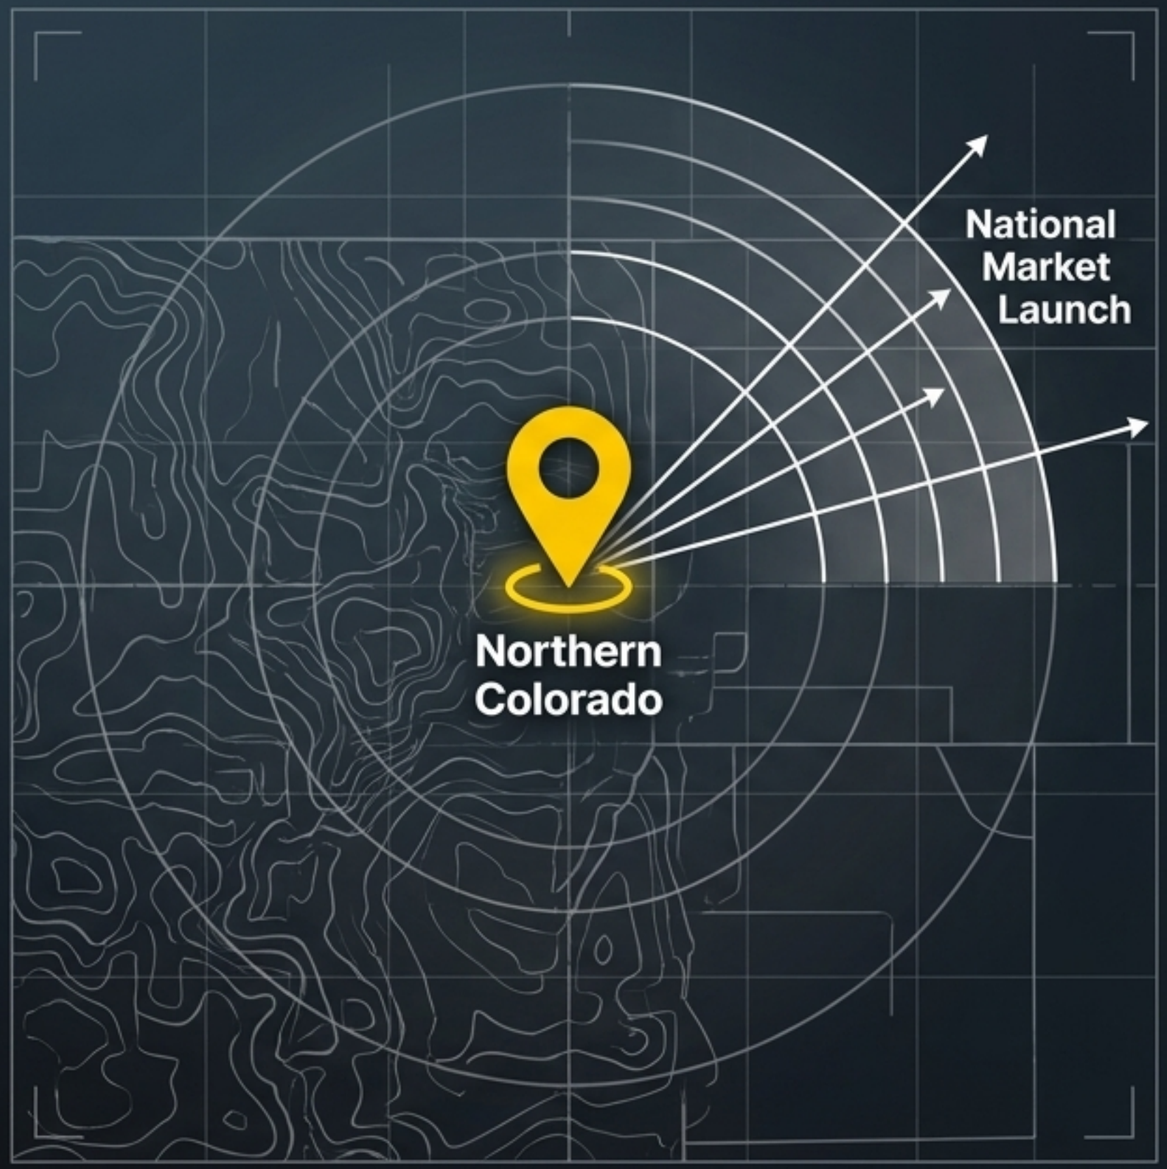

Our Identity is the Family Legacy

We capture memories, not just events. Every shutter click is an investment in a family's personal archive. Our operational rigor exists solely to protect and deliver this legacy.

Gemini Notebook

The Priority Target is Parks & Recreation

Municipal Buyers First

We do not deploy to a league until official venue and organizational authorization are verified.

The Proving Ground

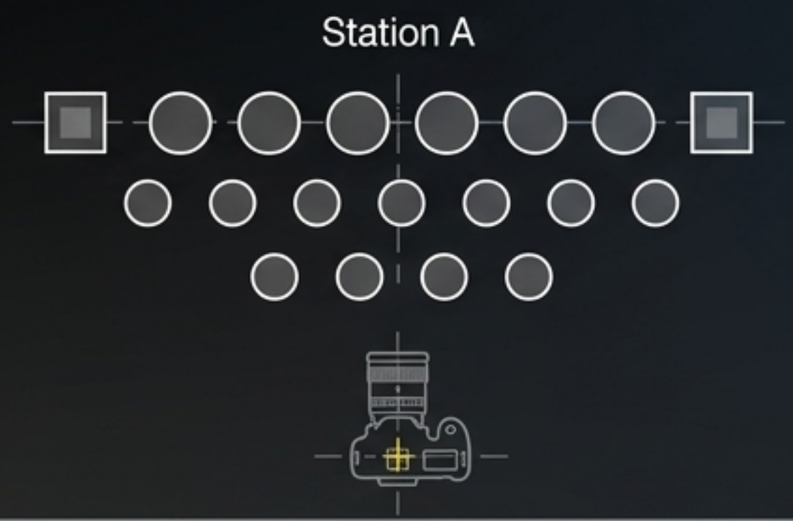

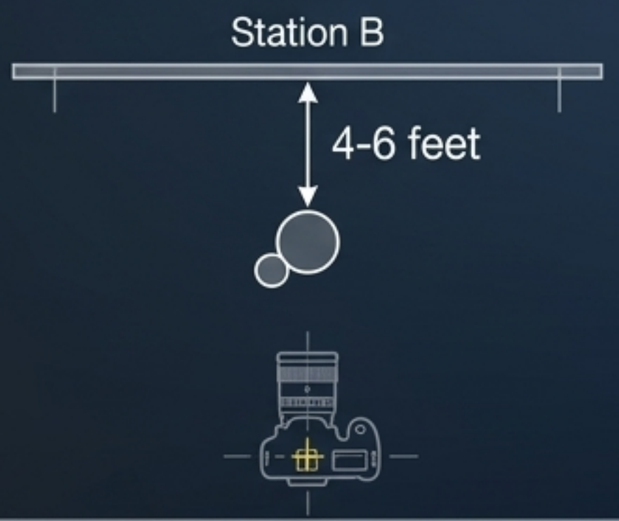

Northern Colorado serves as our supervised pilot market.

The Scalable Kit

Your execution here builds a reusable national market launch playbook.

Gemini Notebook

The Capture Baseline

Team Photography	Individual Photography
	
Roster-matched accountability, clear face visibility, inclusive of all coaches, consistent rows/V-formations.	Uncluttered/consistent backdrop, uniform body turn with ball prop at waist/mid-chest, verified athlete ID slates (zero reliance on facial recognition guessing).

Gemini Notebook

Professional Onboarding Toolkit

- [x] Complete Gear Assignment & Kit Inventory
- [x] Verify Backup Capture & Media Integrity
- [x] Master the Code of Conduct
- [x] Map the Local Buyer Journey

Gemini Notebook

Contract-First Authority

Exclusivity is negotiated, not assumed.
We do not set foot on a field without written, legal authority.

Gemini Notebook

Uncompromising Safeguarding

Mandatory Consent

Written parent/legal guardian consent verified before capture.

Strict Opt-Outs

Respect all prohibited locations and no-photo lists without exception.

Data Protection

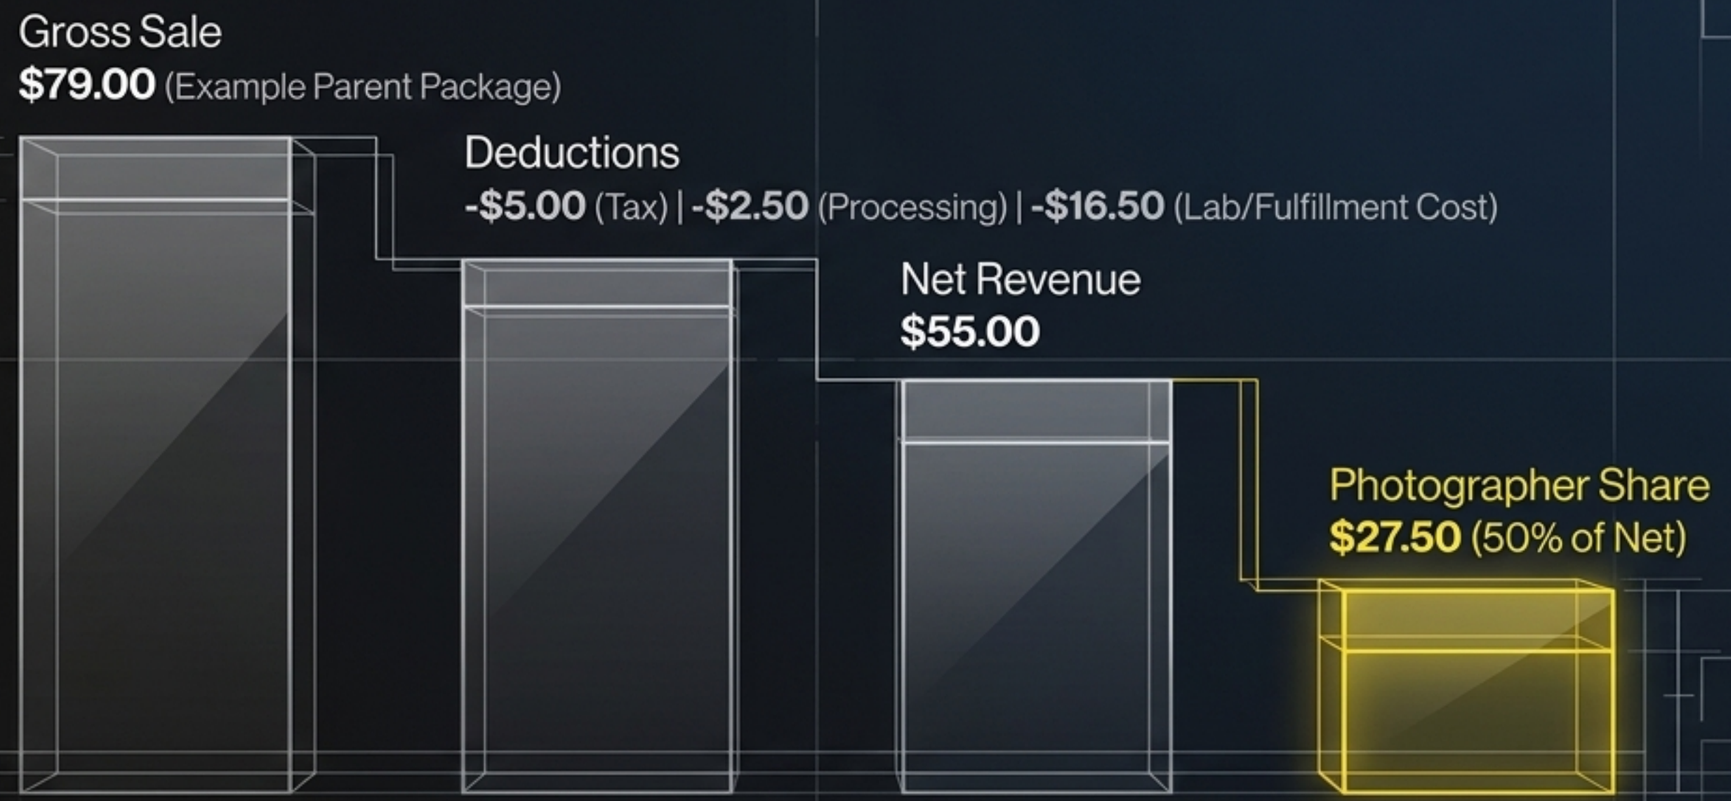

Zero public Exposure of Personally Identifiable Information (PII) or roster data.

Supervised Access

Absolutely no private or unmonitored encounters with minors.

Gemini Notebook

The 50% Net Revenue Model

This independent contractor revenue model supersedes all legacy 10% trainee commission documentation.

Gemini Notebook

The 48-Hour Post-Shoot SLA

0h
(Secure Backup)

Encrypted storage transfer & verified checksums.

12h
(Cull/Edit)

AI background removal, safe cropping, exposure correction.

24h
(Manual Tag/QA)

Athlete ID association, roster verification, wrong-player correction.

48h
(Gallery Publish)

Parent access granted via least-privilege secure links.

Gemini Notebook

The Day 30 Readiness Gate

1. Database Hygiene

A clean, verified city prospect database.

2. Operational Role Plays

Mastery of pitch and consent verification scenarios.

3. Legal Mastery

Flawless understanding of the legally reviewed contract packet.

4. Safeguarding Protocol

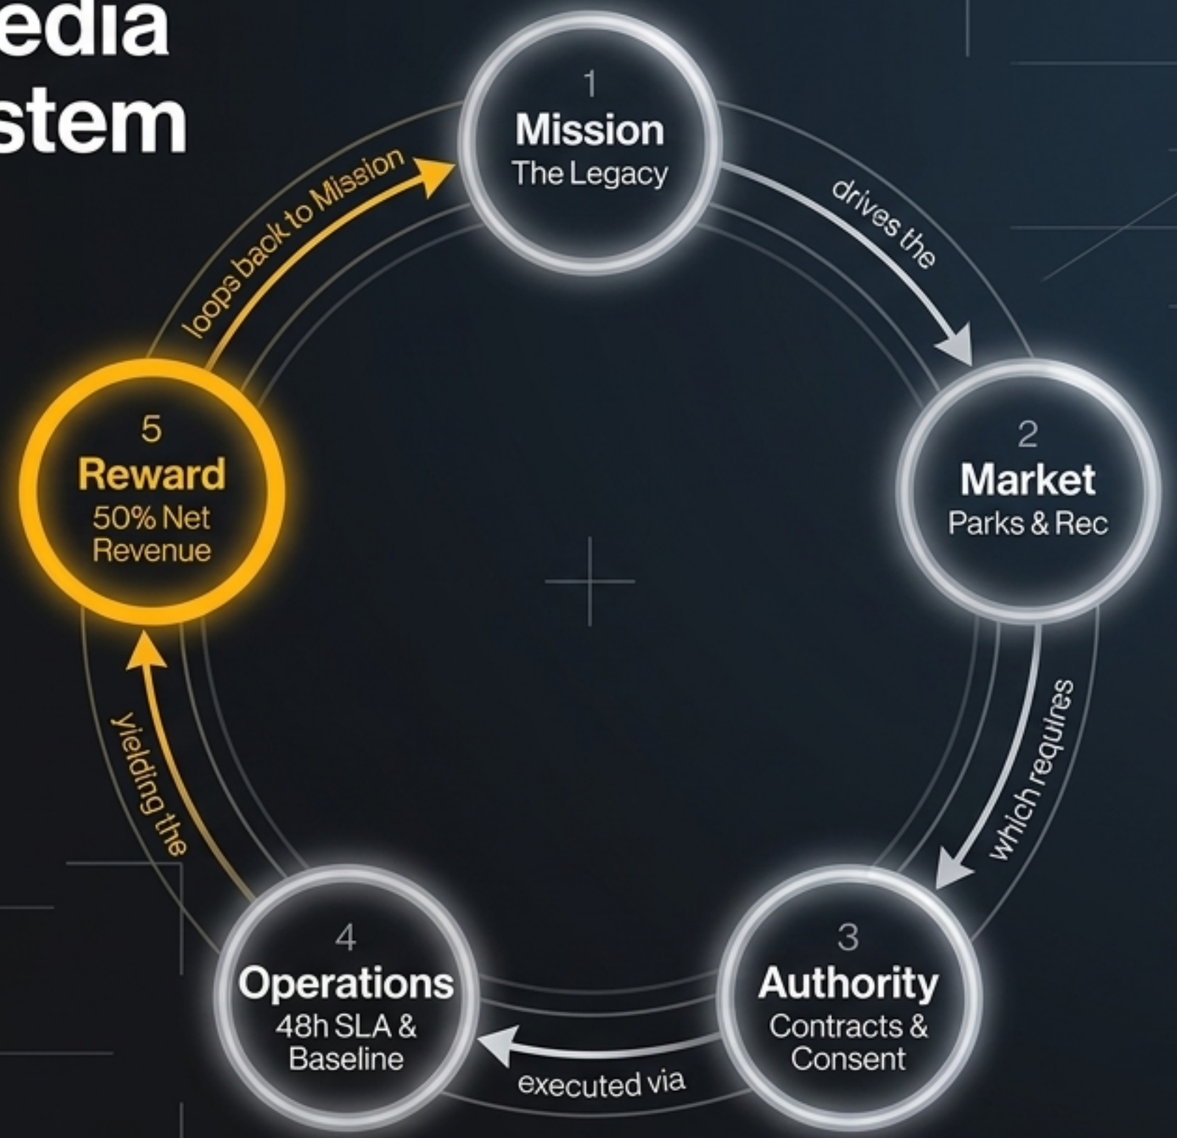

Documented adherence to zero unsupervised access rules.

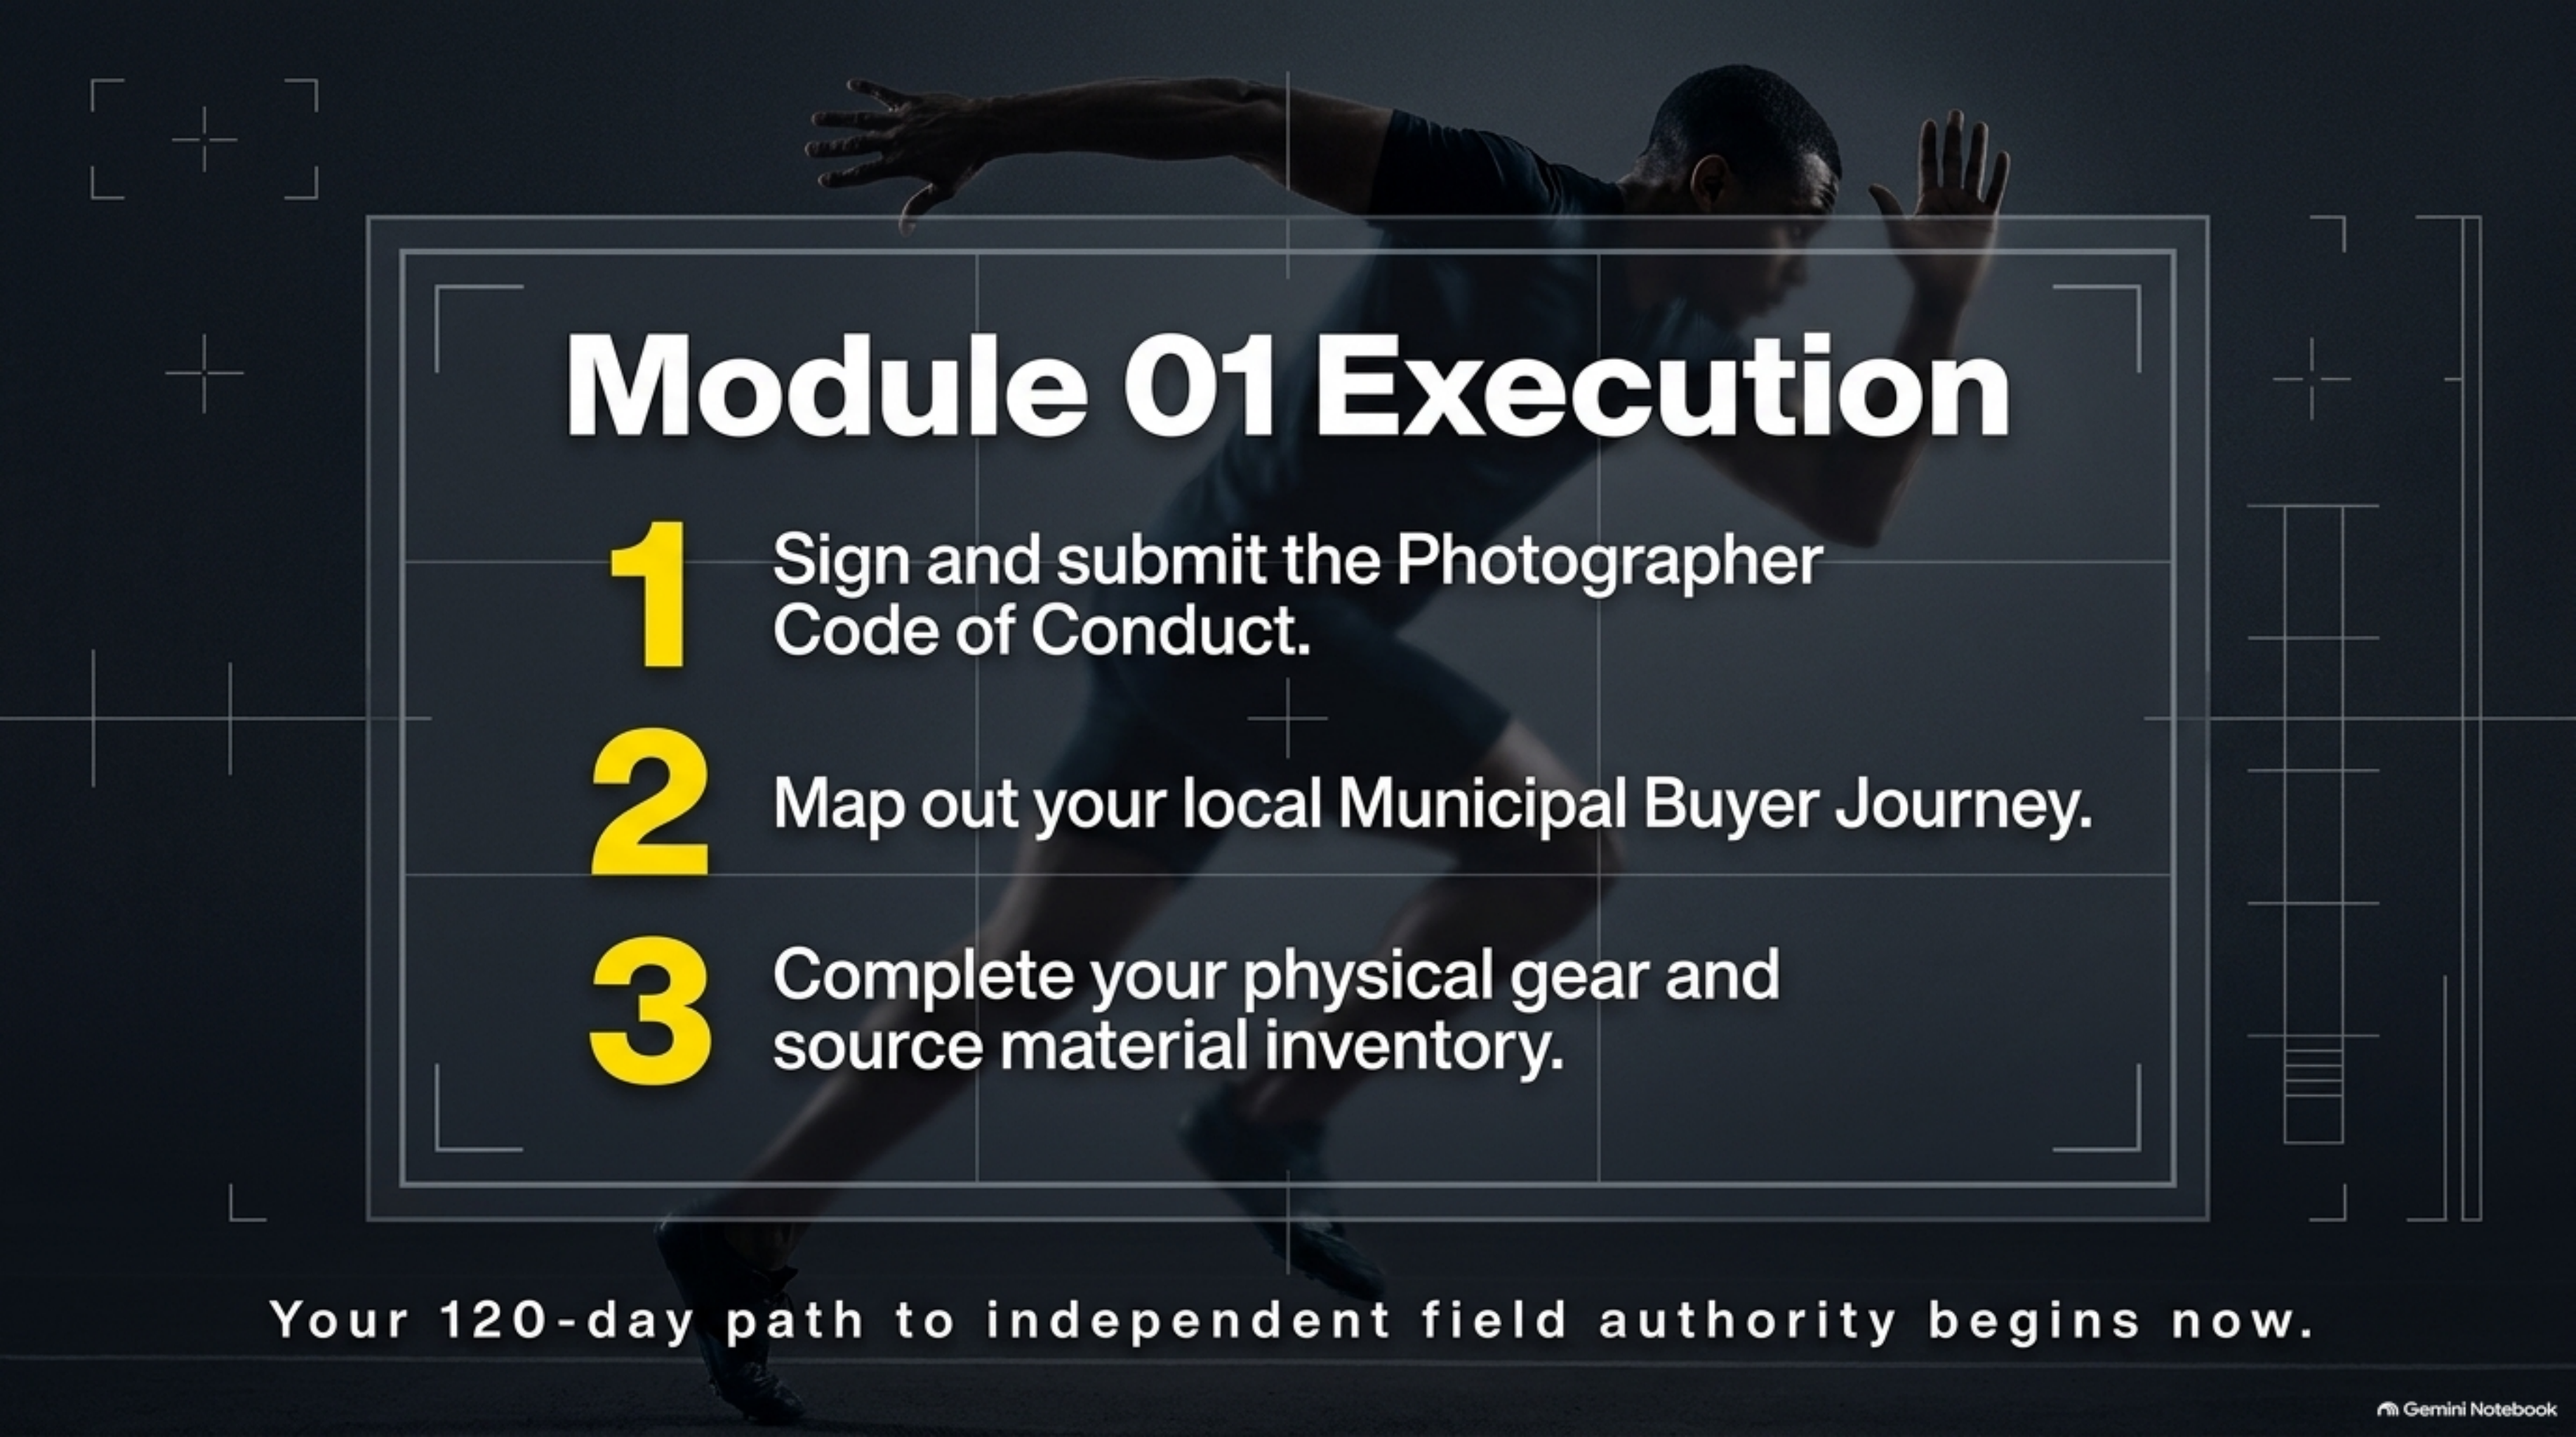

Successful completion of all quadrants unlocks field authority.
