- STATUS: ACTIVE
- REVENUE: GENERATING
- LOCATION: N. COLORADO

⚠ DO NOT DEPLOY TO A LEAGUE OR CHILD PHOTO DAY UNTIL VENUE/ORGANIZATION AUTHORIZATION AND GUARDIAN CONSENT ARE EXPLICITLY VERIFIED.

Gemini Notebook

GATE 1: CONTRACT-FIRST AUTHORITY

THE CONTRACT DOSSIER

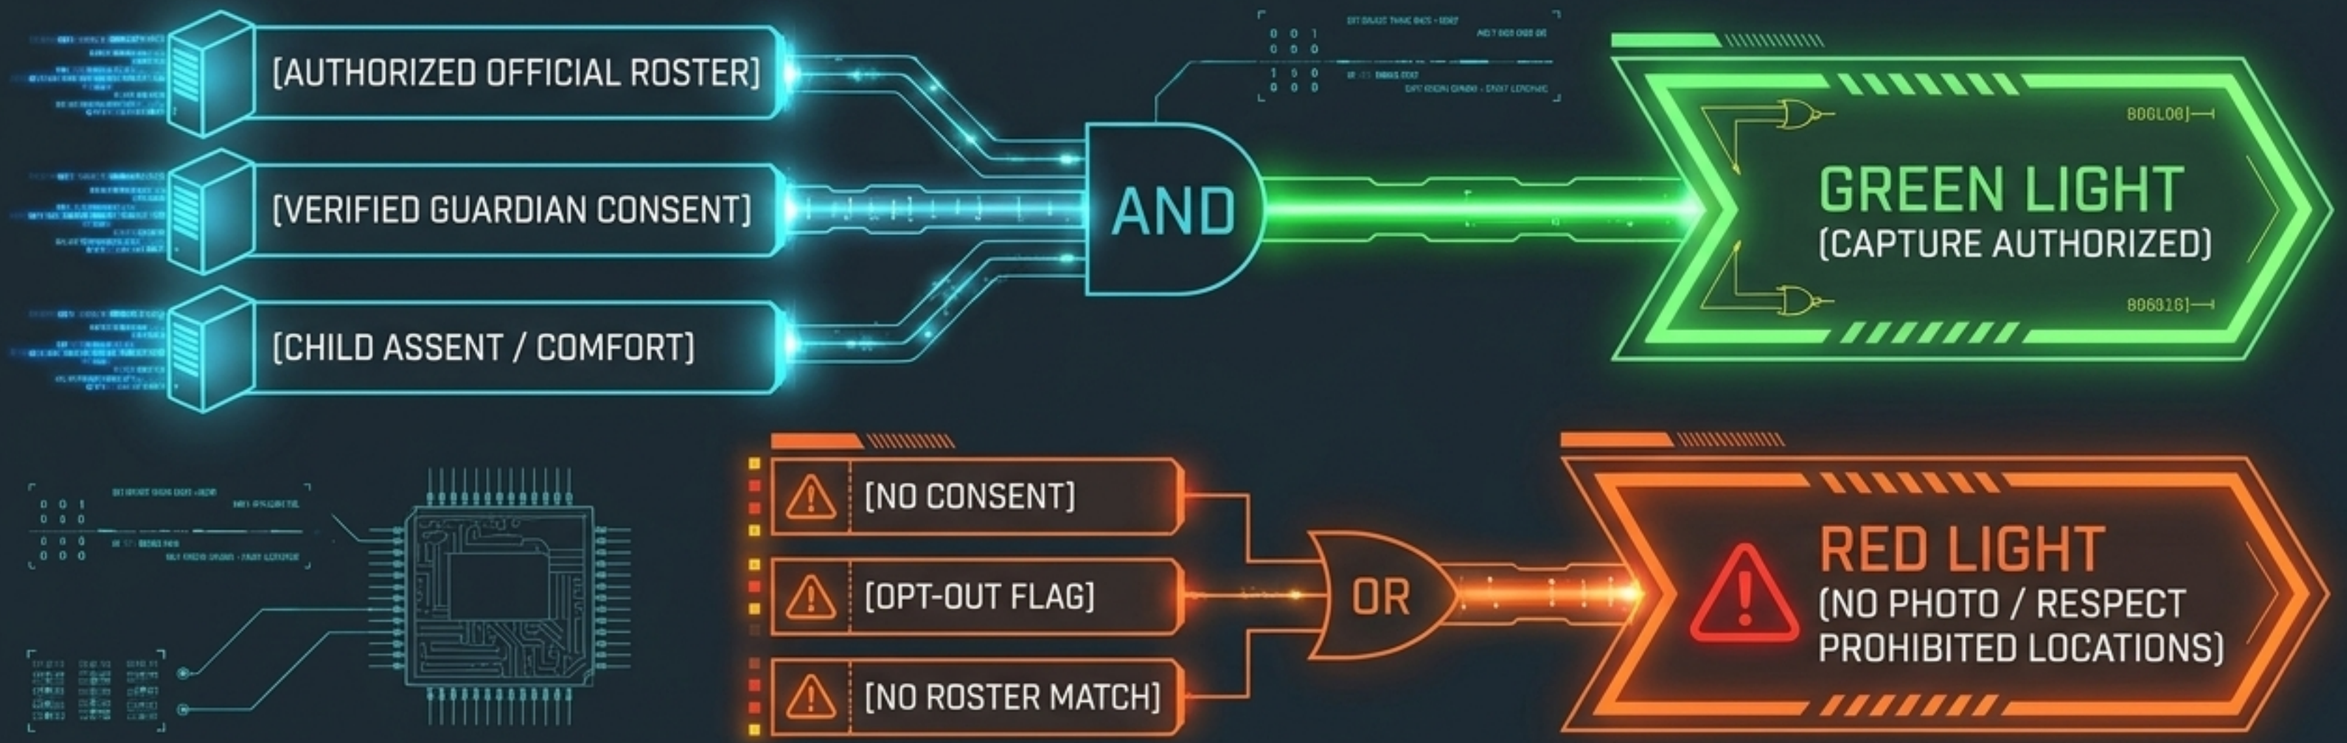

- ✓ EXECUTED MUNICIPALITY/LEAGUE AGREEMENT
- ✓ VENUE ACCESS GRANTED
- ✓ INSURANCE VERIFIED
- ✓ PROCUREMENT/VENDOR APPROVAL

EXCLUSIVITY IS NEVER ASSUMED. ACCESS IS NOT GRANTED WITHOUT WRITTEN AUTHORIZATION FROM THE MUNICIPALITY, LEAGUE, OR AUTHORIZED VENDOR WITH ACTUAL DECISION RIGHTS. A LEAGUE CONTRACT IS NOT A PHOTOGRAPHER CONTRACTOR AGREEMENT.

Gemini Notebook

GATE 2: THE PARENT CONSENT VERIFICATION ENGINE

PROTECT CHILD NAMES, IMAGES, ACCESS TOKENS, AND PARENT CONTACT DETAILS. NO PLAYER ENTERS A PHOTOGRAPHY STATION UNTIL THEIR CONSENT AND OPT-OUT STATUS IS DEFINITIVELY VERIFIED.

DEFINING EXACT ROLE OWNERSHIP FOR THE LIVE PILOT

MARKET CAPTAIN / TRAINER

Owns readiness gates, field supervision, checklist signoffs, scorecard, and renewal planning.

FIELD PHOTOGRAPHER

Owns safe consent-aware setup, verified roster matching at capture, team/individual coverage (with ball props), lighting consistency, and dual secure backups.

DIGITAL ASSET & GALLERY OPERATOR

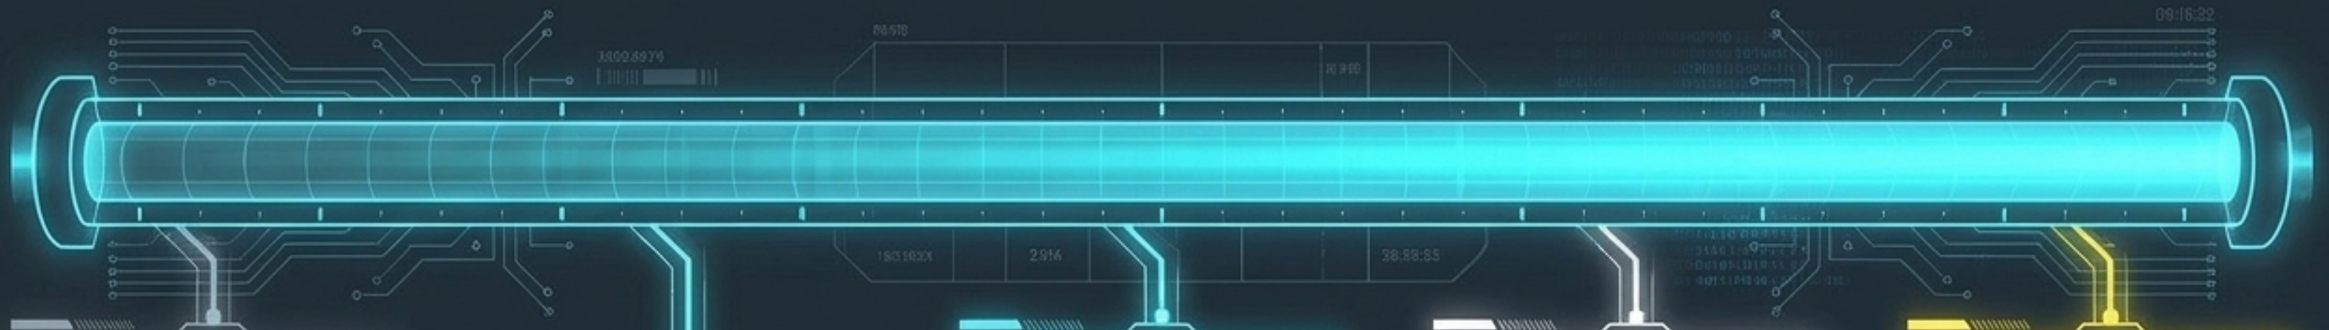

Owns ingest, metadata identification, tag QA, 48-hour upload SLA, privacy checks, and private publication.

CRITICAL: The Field Photographer must never operate alone with a child; a coach or league liaison must always remain present.

DATA PRIVACY, SYSTEM VERIFICATION & AI RULES

SIMULATED/SANDBOX RULES

- Must use fictionalized training IDs (e.g., ATH-001).
- No identifiable production child imagery or real roster PII can be uploaded into training sources.

LIVE SYSTEM RULES

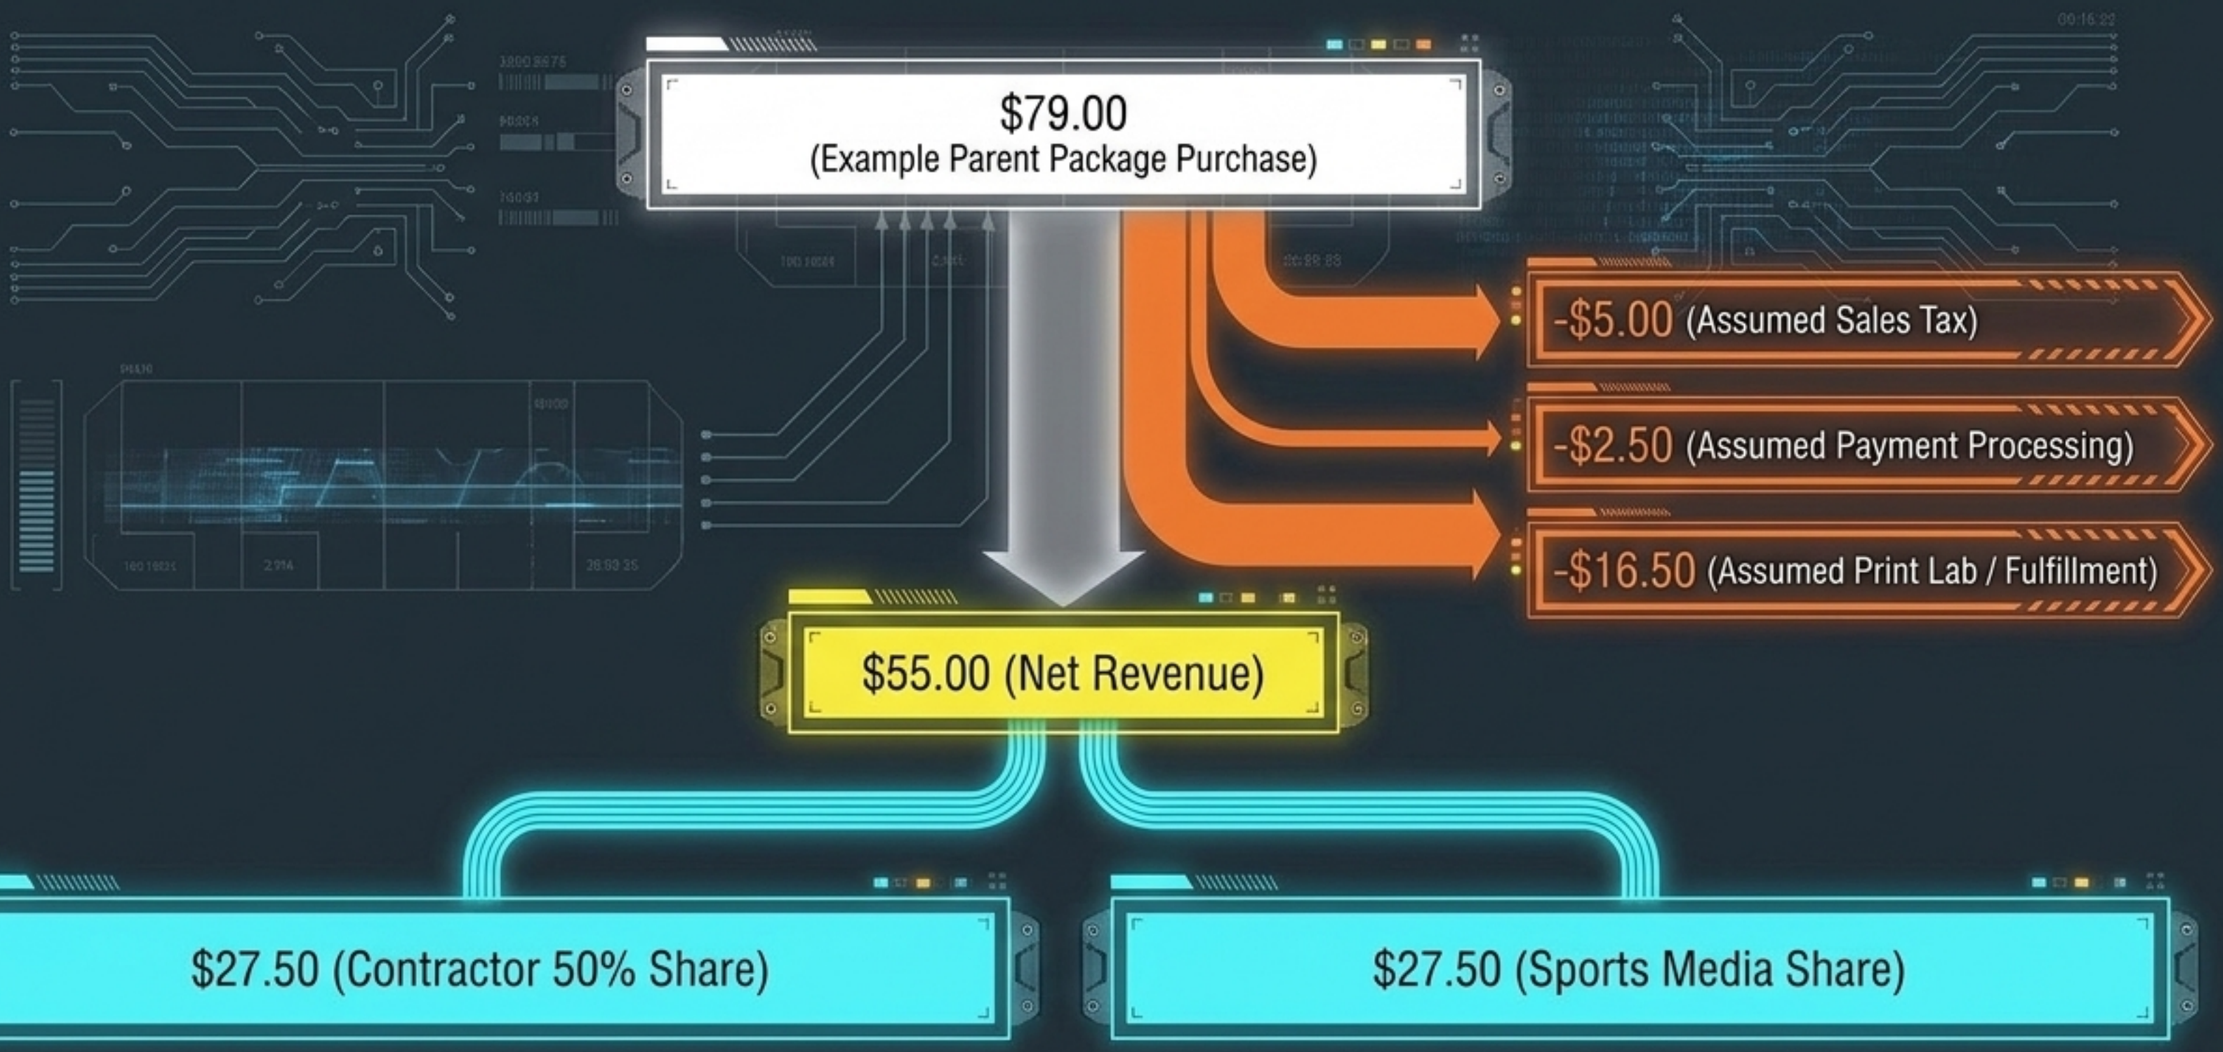

- Real guardian contact info kept separate from image filenames.
- Biometric/facial recognition identification is a proposed platform capability, not proven lawful in all markets.

MANDATORY: Where conditional facial AI matching is legally approved and available, it is an assistant only. Human operators must manually verify every single association.
